Education

Vellore Institute of Technology <i>Bachelor of Technology, CSE-Cybersecurity and Digital Forensics</i>	2021 - 2025 8.37/10 CGPA
Pandit Junior College <i>Class XII</i>	2019 - 2021 92.2%
Sree Vignan School <i>Class X</i>	2009 - 2019 9.7/10 CGPA

Technical Skills

Languages: Java, SQL, Python, C++
Frameworks/Web Technologies : React.js, Next.js, JavaScript, HTML, CSS
Relevant Coursework : Object-Oriented Programming, Computer Networks
Developer Tools: VS Code, GitHub

Projects

OrderMyPizza	Source Code
<ul style="list-style-type: none">Developed a React-based pizza ordering application featuring an interactive and responsive user interface for seamless navigation across devices.Implemented user-friendly pizza customization options with dynamic updates to cart and pricing in real time.Integrated Stripe Elements for a secure and smooth payment experience, enhancing transaction reliability.	
Comfty Store	Source Code
<ul style="list-style-type: none">Implemented secure user authentication with JWT, enhancing security and user experience; enabled comprehensive product search with advanced filtering options.Built a fully functional shopping cart system, allowing users to add items, proceed to checkout, and view their order history for improved purchase managementDeveloped a full-fledged e-commerce platform with secure user authentication, advanced product search, shopping cart functionality, and seamless payment integration, ensuring a smooth and secure shopping experience.	
JobTrack	Source Code
<ul style="list-style-type: none">Integrated "CLERK Authentication" for secure Google account/Email login and logout, enhancing security and user convenience.Implemented job management features for adding jobs with status tracking, job search functionality, and visualized job statistics with bar graphs for better insights.Built a responsive and user-friendly interface using Next.js and ShadCN UI, ensuring seamless navigation and a modern design across all devices.	

Certifications

Azure Administrator Associate by Microsoft	July. 2024
Bits and Bytes course: Coursera	July. 2024
DSA High Performance coding,iamneo	July. 2024

Achivements - Coding

- Data Structures and Algorithms(DSA) in JAVA Solved over 300 problems on platforms such as LeetCode, GeeksforGeeks, and CodeChef
- Achieved a ranking of 352 on GeeksforGeeks with 275 days of daily streak

Intrests

- Reading,Music,Badminton,Chess.

Languages

- English - Proficient, Telugu - Native, Hindi.
